(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner and applicant agree that the previously notice of allowability has a typographical error, which is the omission of claim 82. Claim 82 is pending and as being consistent with the prosecution history, is also allowable. Thus, attached to this interview summary of record is the updated form of Notice of allowability , which would correct the inadvertent omission..
